DERIVED FROM *ASCOPHYLLUM NODOSUM*

General Information: ACADIAN Organic Powder is an extract of *Ascophyllum nodosum* marine plants for use on food crops, ornamentals and turf. Apply in foliar sprays or irrigation water in conjunction with a balanced crop nutrition program.

Compatibility: ACADIAN Organic Powder is compatible with most insecticides, fungicides and fertilizers. When interaction of chemicals is unknown, a "jar" compatibility test is recommended.

WARRANTY STATEMENT:

The manufacturer warrants that this product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal conditions of use. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of the manufacturer. In no case shall the manufacturer be liable for consequential, special or indirect damages resulting from the use or handling of this product. The manufacturer makes no warranties of merchantability or fitness for a particular purpose or any other express or implied warranty except as stated above.
