GENERAL INFORMATION

HYDRA-HUME™ DG is a leonardite mix, rich in humic acids containing, perhaps, the highest concentration of humic acids available from raw leonardite. Products containing humic acids, such as HYDRA-HUME™ DG, may increase uptake of micronutrients.

SUGGESTED DIRECTIONS

HYDRA-HUME™ DG can be applied to all crops including: vegetable crops, row crops, field crops, trees, vines, ornamentals, lawns, and garden landscaping. Apply 40 pounds per acre per year. May be applied anytime during the year. First preference would be to broadcast in the fall after deep tillage. Second preference is to broadcast pre-plant up to first blossom.

WARM SEASON GRASSES: 1 - 2 lbs/1000 sq. ft. in early spring & late fall. Problem spots may benefit from additional applications.

COOL SEASON GRASSES: Use at 1 - 2 lbs/1000 sq. ft. as a top-dress after aeration. Mix with sand media if possible.

TREES, SHRUBS, WOODY ORNAMENTALS AND BEDDING PLANTS: Ring 2 - 8 oz around base of trees and shrubs, use higher rates on larger species. Broadcast 1 - 2 lbs/1000 sq. ft. into ornamental beds.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or

Disclaimer: Always refer to the label on the product before using Helena or any other product.
