10% BORON SOLUTION
A LIQUID WATER SOLUBLE BORON

GUARANTEED ANALYSIS
Boron (B) ................................................................. 10.00%
Derived from Boric Acid.

WARNING: This fertilizer contains Boron. Its use on any other plants or under any other conditions other than those specified on the label may result in plant injury.

1.106 pounds BORON per gallon
pH 7.9 with buffering capacity

KEEP OUT OF REACH OF CHILDREN
PRECAUTION
Do not ingest. Avoid contact with skin, eyes, or clothing.
Avoid breathing dust, vapor or mist.

FIRST AID
In all cases, call a poison control center or doctor for further treatment advice.

IF SWALLOWED, call a poison control center or doctor immediately. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person. IF ON SKIN; take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. IF INHALED, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration. IF IN EYES, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.
Store in a safe manner. Store in original container only and keep tightly sealed when not in use. Dispose of unused product and empty containers in accordance with Federal, State and local regulations.

GENERAL INFORMATION
RNA 10% BORON SOLUTION is a water soluble and fertilizer soluble source of boron. It may be mixed and applied with fertilizers or pesticides on soil or foliage.

DIRECTIONS FOR USE
TREES, VINES: Foliage: Apply no more than 2 quarts per acre with sufficient water for thorough coverage. Apply up to 10% bloom, post-bloom, in the fall, dormant or delayed dormant. Do not apply more than 1 pint per acre on table grapes. Soil: Apply 1 quart to 2 gallons per acre; rate depends upon the deficiency. Apply with irrigation water, fertilizers, or pesticides.
ROW, FIELD AND OTHER CROPS: Foliage: Apply 1 quart per acre with sufficient water for thorough coverage. The number of applications is dependent upon the deficiency. Soil: Apply 1 quart to 2 gallons per acre; rate depends upon the deficiency. Apply with irrigation water, fertilizers, or pesticides.

COMPATIBILITY
Foliar Applications: Use sufficient water for thorough coverage. RNA 10% BORON SOLUTION may be mixed with most pesticides. Check jar compatibility and treat a small area for damage before large-scale application begins. This product has a pH of approximately 7.9 with tremendous buffering capacity. RNA 10% BORON SOLUTION may adversely affect the half-life of pesticides requiring an acid environment and is difficult to buffer with standard buffering agents. Where being applied with pesticides requiring an acid environment, use RNA MICRO SOL B, a dry 17.3% water soluble source of boron. Multiple applications are preferred over a single application.
Soil Applications: RNA 10% BORON SOLUTION may be applied to the soil with fertilizers or crop protection materials. This product is compatible with most neutral pH or alkaline fertilizers.

Always jar test new combinations for compatibility prior to field mixing.

Conditions of Sale and Limitation of Warranty and Liability:
NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FurnISHED "AS IS" AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT; OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
