SPECMEN LABEL

RECOMMENDATIONS

TRACITE® LIQUID SULFUR SIX may be used on most crops. Make applications of this product on the basis of foliar or soil nutrient availability test. In the absence of these tests, a general application rate of 1 to 8 pints of product may be used.

Cucurbit crops such as watermelons, cantaloupes, cucumbers and squash are very sensitive to sulfur. Use this product on those crops with extreme caution.

Apply TRACITE® LIQUID SULFUR SIX in enough water for thorough coverage of the soil.

Suggested Application Dilutions:
Dilute:
Field and Row Crops: 20 to 60 gallons of water per acre.
Orchard: 100 to 800 gallons of water per acre.
Concentrate:
Field and Row Crops: 5 to 10 gallons of water per acre.
Orchard: 20 to 100 gallons of water per acre.
Chemigation Sprinkler Irrigation Systems:
Use sufficient water to provide thorough coverage of the soil.

RECOMMENDATION FOR ADJUSTING SOIL pH

Use 1 – 5 gallons per acre to reduce soil pH to desired range.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and should be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:
1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.

PRECAUTIONARY STATEMENTS

CAUTION
READ THE ENTIRE LABEL
BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Harmful if swallowed. Avoid breathing spray mist. Contact with skin may cause irritation. Avoid contact with eyes and skin.

Sulfur may cause injury if used improperly or under unfavorable weather conditions.

DO NOT STOP AGITATION WITH SULFUR IN SPRAY EQUIPMENT.
SULFUR IS HIGHLY CORROSIVE AND EQUIPMENT SHOULD BE CLEANED THOROUGHLY AFTER EACH DAY'S SPRAYING.

Do not reuse container.
When growing crops for processing, consult the processor before applying sulfur.

WHAT TO DO IN CASE OF CONTACT:

IF SWALLOWED: Give 1 to 3 glasses of water and induce vomiting, obtain medical attention. Do not induce vomiting or give an unconscious person anything by mouth.
IF ON SKIN: Wash skin thoroughly with soap and water. If irritation develops, consult a physician.
IF IN EYES: Flush eyes with water for 15 minutes, holding eyelids open. If irritation develops, consult a physician.
IF INHALED: Move victim to fresh air. If breathing becomes difficult, obtain medical attention immediately.
If contact is made with spray solution containing pesticide(s), follow the “Statement of Practical Treatment/First Aid” on the pesticide label(s).

STORAGE AND DISPOSAL

Keep container tightly closed, do not allow water to be introduced into the contents of this container.
Do not contaminate water sources by cleaning of equipment or disposal of spray waste.
CONTAINER DISPOSAL: Triple rinse (or equivalent), add rinsate to spray tank and offer for recycling or reconditioning, or puncture and dispose of according to Federal, State and local authorities. If burned, stay out of smoke.

Disclaimer: Always refer to the label on the product before using Helena or any other product.
